New Hindu Temple & Cultural Center

20 years ago, the Indian Community in Cedar Rapids was just starting to take roots. The Temple founders got together and wanted to build a place of worship. The result of their hard work and dedication is our current Temple. The seeds that they sowed reaped big fruits as the community grew larger. At this time, we have outgrown the size of the current temple.

The community is currently working towards building a new Temple. To be able to support the devotees of eastern Iowa corridor during our vibrant and fun filled Indian festvites, we need a bigger worship space, a bigger cultural center and a bigger dining area. Our temple needs your support and LOTS of it. Building a temple is a once-in-a lifetime opportunity for the community and this mighty & noble endeavor needs your financial support. Your generosity will bring this noble cause to fruition.

Our Temple supports Go Green efforts

Our Temple believes in contributing to the green movement to make a measurable impact to the environment we live in.

Please support us in saving the environment for our future generations.

An initiative championed by the youth of our community successfully replaced all food service items with biodegradable or recycled paper products in a short period of time with the help of generous donations from the community.

We can do more and we should do more. To champion the cause, share your idea or to know more about the "Green Sponsor" program, send an email to eContact@iowahindutemple.org with the subject as "Green Sponsor"
